

## TRIBUNAL SUBMISSION COVER NOTE

**Release:** QS AI Tribunal Pack v1.0.0

**Date:** 10 February 2026

This cover note accompanies the submission of the QS AI Tribunal Pack v1.0.0. The enclosed materials have been prepared for use in adjudication, arbitration, or other formal dispute resolution proceedings.

The submission includes sealed expert declarations, a tribunal index, a manifest describing all included artefacts, and cryptographic checksum files to enable independent verification of document integrity.

All evidential documents contained within the referenced Tribunal Pack have been frozen as of the release version stated above. No alterations have been made to sealed artefacts following checksum generation.

This cover note is provided for procedural clarity only and does not itself constitute expert evidence.
