

FORMAL RELEASE CLOSURE DECLARATION

QS AI — Version v1.0.0

Date of Declaration: 13 February 2026

This document formally declares that QS AI Version v1.0.0 has been finalised, sealed, and frozen for tribunal and dispute-resolution use.

All artefacts listed within the corresponding MANIFEST.json file have been hash-verified using the SHA-256 cryptographic algorithm. The release archive (QS_AI_Tribunal_Pack_v1.0.0.zip) has been rebuilt, checksum-verified, and committed to version control.

No modifications are permitted to any artefact associated with Version v1.0.0. Any subsequent amendment, correction, or enhancement shall require issuance of a new version identifier.

This declaration is made in good faith and to the best of the declarant's knowledge, confirming the integrity, completeness, and immutability of the release at the time of sealing.
